

## **AMCP COMMITTEES**

*If you are interested in being part of a committee, please see notes on how to join a committee on the second page.*

The **Grassroots & Pharmacy News Committee** will be responsible for updating our members with the latest in upcoming legislature and relevant pharmacy news related to Managed Care and/or Pharmacy.

- Provide a general rundown (10-30 minutes) of recent legislatures and pharmacy news during GBMs.
  - o Will create a “Grassroots & Pharmacy News List” that will provide a general synopsis of topics and its source so interested members can read more about the topic later on.
- Keep members informed about current legislature that AMCP has a strong interest in.
- Promote AMCP Legislative Action Alerts to chapter members and student body

The **Fundraising and Activities Committee** will be responsible for promoting our chapter and chapter activities as well as building funds to maintain chapter operations.

- Main purpose is to promote events and activities to engage with the student body
  - o Ideally, committee should have at least 1 member from each pharmacy year (1-6) to assist with promoting the chapter and its activities
- Raise funds to maintain chapter operations, possible suggestions but are not limited to include selling candy, baked goods, and also contacting potential sponsors

The **Managed Care Education Committee** will be responsible for educating the student body and members who are interested in learning about Managed Care.

- Utilization of case studies, presentations, or other activities to best educate students about Managed Care will be up to the discretion of the Director and committee members.
  - o They say the best way to learn is to teach. Do not be intimidated if you have not yet learned about Managed Care. This is a great opportunity to learn first-hand and to teach your fellow peers as well as improve your presentation skills.

## **Notes about Joining Committees**

You do not need to hold Active AMCP membership to be part of a committee.

Signing up for committees can be done at anytime throughout the year online at: <http://sjuamcp.weebly.com/committee-sign-up.html>

Each committee will be assigned a Committee Director and Committee Secretary to make sure committee activities run smoothly.

Directors and Secretaries of committees must have an active membership with AMCP as these are leadership roles, though not technically part of Executive Board.

**Committee Director:** Will lead the committee in its activities and engage students to become involved as a committee member.

**Committee Secretary:** Will assist the committee by tracking the progress of committee through bi-weekly minutes or monthly minutes depending on amount of activity. Will help organize and type up any necessary paperwork that is needed to assist with committee operations.
